

Quick Dome 60

Main Features

- **ø60cm** Bowens mount circular soft box with **16 steel support rods**
- **Quick-release latch** on speed ring allows users to **bring all rods to tension in seconds**
- **Extended lateral side handle** allows easy handling and manipulation of Quick Dome during mounting and unmounting
- **Snap-in removable Bowens mount chuck** allows for easy part replacements
- **Packs flat and compactly**
- **Diffuse and soften** hard point source lighting fixtures
- Includes **1.5 stop** front diffusion cloth and inner baffle
- **40° fabric light control grid** included
- **Deep parabolic design** for uniform light output distribution
- **Highly reflective silver inner** lining for optimized light output
- Includes carrying bag

Product Description

The Aputure Quick Dome 60 is a 60cm circular Bowens mount softbox designed for fast, reliable, and professional light shaping on compact sets. Its quick-release latch mechanism on the speed ring allows users to tension all 16 steel support rods within seconds, streamlining setup and teardown when working in fast-paced production environments. The extended lateral side handle provides improved grip and control when mounting or removing the softbox from the front of Bowens mount fixtures, while the snap-in removable Bowens mount chuck enables quick and convenient part replacements as needed.

With a deep parabolic design and highly reflective silver interior, the Quick Dome 60 delivers uniform and efficient soft light output that helps maintain smooth luminance from center to edge. It includes a 1.5-stop front diffusion cloth and an internal baffle for achieving balanced softness, along with a 40° fabric light control grid for shaping spill and directing light with precision.

Engineered for portability, the Quick Dome 60 packs flat and compactly into its included carrying bag for easy transport and storage. Compatible with STORM and Light Storm Bowens-mount fixtures, the Quick Dome 60 offers filmmakers, content creators, and photographers a lightweight yet durable soft light solution optimized for smaller studio setups and on-the-go productions.

What's in the Box

Name	Qty
Quick Dome 60	1
1.5 Stop Diffusion Cloth	1
Inner Baffle	1
40° Fabric Light Control Grid	1
Carrying Bag	1

Sales & Shipping Information

Product Name	Quick Dome 60
SKU	AA07060383
EAN	6977162455792
Packing Dimensions	55.8 x 26.5 x 12.0cm 22.0 x 10.4 x 4.7cm
Net Weight	0.76kg / 1.68lbs
Gross Weight	1.14kg / 2.51lbs
Carton Quantity	3 pcs
Carton Dimensions	57.5 x 38.3 x 29.5cm 22.6 x 15.1 x 11.6in
