

Quick Dome 90

Main Features

- **ø90cm** Bowens mount circular soft box with **16 steel support rods**
- **Quick-release latch** on speed ring allows users to **bring all rods to tension in seconds**
- **Extended lateral side handle** allows easy handling and manipulation of Quick Dome during mounting and unmounting
- **Snap-in removable Bowens mount chuck** allows for easy part replacements
- **Packs flat and compactly**
- **Diffuse and soften** hard point source lighting fixtures
- Includes 2 front diffusion cloths (**1.5 and 2.5 stop**) and inner baffle
- **40° fabric light control grid** included
- **Deep parabolic design** for uniform light output distribution
- **Highly reflective silver inner lining** for optimized light output

Product Description

The Aputure Quick Dome 90 is a 90cm circular Bowens mount softbox built for fast, reliable, and professional light shaping on set. Its quick-release latch mechanism on the speed ring allows users to tension all 16 steel support rods within seconds, streamlining both setup and teardown. The extended lateral side handle provides improved control and comfort when mounting or unmounting the softbox from the front of Bowens mount fixtures, while the snap-in removable Bowens mount chuck enables easy part replacements when necessary.

With a deep parabolic design and highly reflective silver interior, the Quick Dome 90 produces a uniform and powerful soft light output that maintains smooth luminance from center to edge. It includes two front diffusion cloths (1.5 and 2.5 stop), an internal baffle, and a 40° fabric light control grid, allowing users to adjust diffusion strength and directionality for precise lighting control.

Designed with portability in mind, the Quick Dome 90 packs flat and compactly into its included carrying bag, making it simple to transport and store. With its durable steel support rods and universal Bowens mount, the Quick Dome 90 pairs seamlessly with STORM, Electro Storm, and Light Storm fixtures, offering filmmakers and photographers a dependable and efficient soft light solution for professional productions.

Sales & Shipping Information

Product Name	Quick Dome 90
SKU	AA07060382
EAN	6977162455785
Packing Dimensions	91.0 x 26.5 x 12.0cm / 35.8 x 10.4 x 4.7in
Net Weight	1.40kg / 3.09lbs
Gross Weight	2.27kg / 5.00lbs
Carton Quantity	3 pcs
Carton Dimensions	92.7 x 38.3 x 29.5cm / 36.5 x 15.2 x 11.6in
Carton Weight	9.58kg / 21.1lbs
