STORM 80c 3-Light Kit Feature Sheet

Main Features

- Portable 3-Light Kit of Aputure STORM 80c Lights Complete With Modifiers, Power, and Mounting Accessories¹ Packed in a Protective Rolling Hard Case
- 3x 80W Full-Color Compact Point Source Fixtures with Revolutionary LED Chipset: Blue, Lime, Amber, Indigo, Red, Cyan, Green (BLAIR-CG)
- 2x CF4 Fresnels with Barn Doors
- 1x Light Dome 40 Soft Box
- 3x Mini Lantern Diffusers
- 3x Hyper Reflectors
- 1x Mini ProLock to Bowens Mount Adapter
- 1x STORM 80c Handheld Bracket
- 3x D-Tap to 5.5mm Barrel AC Cables
- 3x Super Clamps and Magic Arms
- CCT Range of **1,800K-20,000K**
- Advanced Diode Color Mixing Allows Fixture to More Effectively Utilize Each Diode's Light Output
- Advanced White Point Control with Green/Magenta Color Correction (±G 100% Full ASC MITC Range)
- Ultra-High Color Accuracy: CRI≥97, TLCI≥98, CQS [CIE D5600]≥96, SSI [P3200]: 88, SSI [CIE D5600]: 84, TM-30 Rf (avg) 96, TM-30 Rg (avg) 103
- 90%+ Coverage of Rec.2020 color gamut
- Compact Design (Lamp Head Weight with Yoke: 1.35kg / 2.98lbs)
- Removable Yoke Offers 360° Rotation of Lamp Head
- Versatile Rigging Potential with Four 3/8-16in Threads
- Robust Mini ProLock Locking Accessory Mount Design Allows For More Secure and Optically Aligned Modifier Accessory Connection
- IP65 Weather Resistant Lamp Head
- Multiple Control Methods: Sidus Link and Sidus Link Pro App, LumenRadio CRMX, 16-bit 5-Pin DMX512 In & Out
- [1] See "Aputure_STORM_80c_One_Sheet" for more information on included and optional accessories

Sales & Shipping Information

Product Name	STORM 80c 3-Light Kit		
	SKU	EAN	
EU Plug	AP0701012K 69771624536		
UK Plug	AP0704012M 697716245366		
Packing Dimensions	69.4 x 28.6 x 59.3cm / 27.3 x 11.3 x 23.4in		
Net Weight	11.48kg / 25.31lbs		
Gross Weight	24.40kg / 53.78lbs		
Carton Quantity	1 pc		
Carton Dimensions	71.5 x 30.0 x 60.5cm / 28.2 x 11.8 x 23.8in		
Carton Weight	24.40kg / 53.78lbs		

Product Description

The Aputure STORM 80c 3-Light Kit is a complete, versatile lighting solution centered around three STORM 80c fixtures. This kit provides a versatile setup capable of delivering both hard and soft light, along with multiple rigging and power options. Whether used for professional productions, interviews, industrial videos, or on-the-go filmmaking, the STORM 80c 3-Light Kit ensures adaptability and efficiency for any creative workflow.

Each STORM 80c in this kit is built with the cutting-edge BLAIR-CG LED chipset, offering a wide CCT range of 1,800K-20,000K, higher than 90% of Rec.2020 color space coverage, and advanced white point control with 100% full ASC MITC range green-magenta correction for uncompromising color accuracy. With an IP65 weather resistance rating, these fixtures are designed to withstand demanding shooting conditions, ensuring reliable performance in any environment.

To enhance creative flexibility, the kit includes a variety of light-shaping tools. The Mini ProLock Hyper Reflectors intensify beam output for crisp, hard light, while the Mini Lantern Diffusers provide soft, omnidirectional illumination. The CF4 Fresnels offer a 15° to 40° adjustable beam spread, complemented by the CF4 Barn Doors for precise light control. Additionally, the Light Dome 40 delivers soft, controlled diffusion with a compact footprint, making it ideal for interviews and beauty lighting.

For seamless power management, the kit includes both AC and battery-powered options. The D-Tap to 5.5mm DC Barrel Power Cables allow direct power from V-Mount batteries, ensuring untethered operation, while the AC Adapters and Power Cables provide consistent power through standard household outlets for studio setups. This flexibility ensures that users can operate efficiently, whether on location or in a controlled environment.

Rigging options are equally comprehensive, with Aputure Super Clamps and Universal Magic Arms providing versatile mounting solutions. The STORM 80c Bowens Mount Adapter expands compatibility with Aputure's existing Bowens modifier lineup, while the STORM 80c Handheld Bracket offers a practical handheld lighting solution for run-and-gun filmmaking.

Designed for portability and protection, the entire kit is housed in a hard-shell rolling case, ensuring secure transport for professionals who need to move quickly between locations. Featuring a precision-cut hard foam insert, every item has a specific place and can be quickly located and just as quickly packed without losing them. Whether lighting corporate interviews, weddings, documentary shoots, or high-end productions, the STORM 80c 3-Light Kit offers a compact, comprehensive, and versatile lighting solution that empowers creatives to achieve professional results anywhere.

Target Audience

The Aputure STORM 80c 3-Light Kit is a portable 3-point lighting solution perfect for video, photo, and lighting professionals, students, and corporate clients who need a well-rounded lighting kit fit to tackle a myriad of project types and lighting scenarios ranging from corporate videos to weddings, film productions to studio photo shoots.

With a well-curated selection of light-shaping, power, and mounting accessories, users can shape the output of their STORM 80c lights in this kit to achieve the lighting they need for their respective projects. In addition to its creative lighting versatility, this kit affords users the ability to take it into any shooting environment from indoor studio shoots to outdoor productions in harsh environments while also maintaining packing and transportation efficiency thanks to its protective and organized rolling hard shell case.

Whether you're a seasoned cinematographer, lighting technician, videographer, or photographer, the STORM 80c 3-Light Kit empowers you to elevate your craft with its high color accuracy, versatility, and reliability, ensuring exceptional results in every production or photo shoot.
