- Slim, **flat-pack design** for easy transportation
- **Universal Bowens Mount:** Compatible with amaran COBs and other Bowens Mount fixtures up to 600W
- **Included diffusion** for even, soft light in every shot
- **Included light control grid** for added depth & contrast
- **Included carrying bag** for easy transportation

Target Audience

The amaran Octa Dome 60 is the perfect compact solution for portrait photography, on-camera interviews, and solo creators who need soft, natural light in close-up, tight spaces. Its octagonal design mimics the shape of natural light, creating a beautifully diffused, even glow over subjects for enhancing skin tones, texture, and creating round eyelights, while granting you flexibility to shape your light with precision.

Whether paired with a compact Bowens Mount fixture for a portable lighting kit or used in a home studio, its one-snap setup makes it faster and easier than ever to set up and dismantle. Its flat-pack design is also ideal for on-the-go shoots, travelling to locations, or working in tight studios.

Product Description

The amaran Octa Dome 60 is a one-snap, 60cm (2ft) octagonal Bowens Mount softbox built for quick, compact setups. Featuring a one-snap setup mechanism, this modifier is faster and easier to assemble when transforming hard point-source LEDs into soft, natural light for close-up content, while saving valuable space on the move with its slim profile.

Quick setup in one snap. By simply pulling on the speed ring handle to lock, the amaran Octa Dome 60 can snap into its octagonal shape in one second, making it faster and easier than ever to build and break down your softbox. Say goodbye to cumbersome gear so you can focus on bringing your creative ideas to life.

Portable, flat-pack design for on the go. The amaran Octa Dome 60 collapses into a slim, flat profile, designed for on-the-go creators looking for minimal bulk and maximum convenience. At only 700g (1.5lbs), this lightweight modifier frees up space in your bag and makes transport a breeze.

One softbox for all your Bowens lights. Featuring the universal Bowens Mount, the amaran Octa Dome 60 is compatible with a wide array of Bowens Mount fixtures. From the amaran COB 60d S for a mobile lighting kit to the amaran 300c for a compact home studio setup, this modifier creates a soft, natural glow for portrait photography and interviews.

Your full creative toolkit, all in one bag. The amaran Octa Dome 60 comes with all the components you need, packed in a carrying bag. Create a natural glow on your subjects with the included diffusion or add depth with the included control grid. With a fast and seamless experience from setup to shoot, this softbox is the perfect travel companion for any creation.
